Rabbi Marc H. Tanenbaum
Rabbi A. James Rudin

As per your request I have today asked Phil Shamis to prepare two checks for Biafra relief, one for Catholic Relief Services totals \$20,000.00 and the second is for Church World Service for \$18,000.00. As of this date we have collected slightly over \$80,000.00! The breakdown is as follows:

- A. \$46,000.00 has been deposited directly by us.
- B. \$12,000.00 has been distributed to the three relief agencies since the donors' checks were made payable to either UNICEF, Catholic Relief Services or Church World Service.
- C. \$22,000.00 has been distributed to the various Jewish organizations who sponsored the ad. Of this total Mr. Shamis indicates that approximately one half was sent to B'nai B'rith. Of the \$22,000.00, only \$7,000.00 has been redeposited.

Thus after our \$38,000.00 allocation today, we have approximately \$8,000.00 remaining in our own account and we are still waiting for the remainder of the \$22,000.00 to be redeposited.
